# 2024 GOLF Tournament

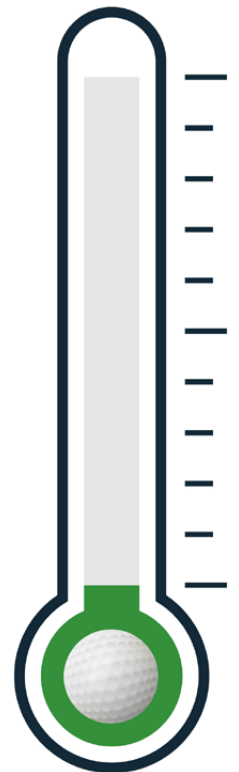

## COMMUNITY GRANT DONATIONS

Join us for the CAI Southeast Florida Chapter's Annual Golf Tournament on October 11, 2024, at Trump National in Doral, FL. This event unites attendees from Broward, Miami-Dade, and Monroe Counties.

This year, community associations governed by Florida Statutes 718, 719, and 720 can win a \$10,000 grant for reserves or capital improvements. Boards must complete the online application and attend the tournament with the President, Treasurer, and Secretary present.

We aim to raise \$20,000 or more and need your donations. Donors will be invited to an exclusive dinner with the grant winners, providing a unique networking opportunity.

Your support is vital. Visit [cai-seflorida.org](https://cai-seflorida.org) for more details and to donate. Questions? Contact Nicole Salcedo, Events Committee Chair, at [manager@luxmgmtservices.com](mailto:manager@luxmgmtservices.com). Thank you for helping us make a significant community impact and helping just one of many communities in need.
